

VinciSmile Ortho System APP

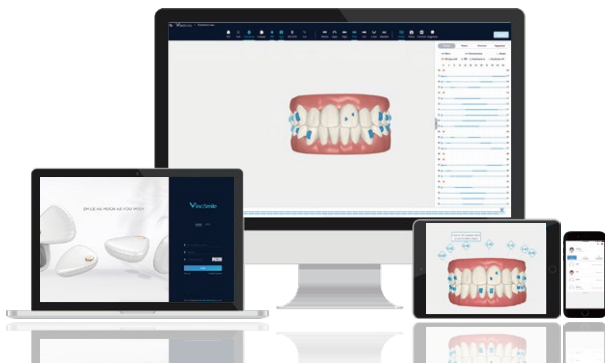

For the convenient 3D scheme review, VinciSmile Ortho System APP, cooperated with VinciSmile Ortho System and VinciSmile software viewer, is launched to benefit doctors to submit and manage cases on VinciSmile APP, also allows doctors to check and approve the 3D scheme anytime and anywhere.

HIGH EFFICIENCY

- Check anywhere
- More convenient

Within 3-5 business days after receipt of the complete patients oral data, doctors will receive the patient's 3D virtual treatment plan. The treatment plan can be reviewed more conveniently through VinciSmile APP. We pride ourselves on service and have integrated a built-in communication channel for doctors to discuss treatment plans with our in-house orthodontists.
